Washington, DC 20510

February

Dear Senator Biden, Jr.

In Re: Awala vs. Chief Judge Sue L. Robinson et al.
of The U.S. District Court for the District of Delaware

Sir, In my Case, U.S. vs Awala, Cr. 04-90-KAJ, I have alleged in the above Lawsuit against the Chief Judge Sue L. Robinson, a Complaint as to the discharge of their individual duties, and conduct that, the Chief Judge did, since she pleases the Government, in such a manner that has contrived a conviction through the pretense of a trial which in truth is but used as a means of depriving me of my Liberty and U.S. Citizenship Status, by birth in Miami, Florida, on May 17, 1971, the Chief Judge having knowledge of the inaccuracy,

endured the apocalyptic hardship of oppressive Conducts
 procured by ms. Beth Moschow-Schnoll, Asst. U.S. Attorney
 Office, Delaware, through Judge Kent A Jordan, both
 Judges having failed to establish a good Practice and
 Lost respect and admiration of the Bench, Used
 a means through deliberate deception of Court and
 Jury by the presentation of testimony known to be
 perjured, Such a Contrivance by them and the Government
 to procure the Conviction under 8 U.S.C. sec 1326,
 is now Submitted in Scrolls as Inconsistent with
 the rudimentary demands of justice and as is the
 arrogation of power Congress Solely regulated in the
 Federal Court, whereas, I am actually Innocent and
 holding on to my faith in the Senate and House of
 Representatives. See Keary v. Farmers & Merchants
 Bank (1842) 41 US 89, 16 Pet 89, 10 LEd. 897, held
 Congress has sole authority to regulate practice of
 Federal Courts. See also Railway Co. v. Whittton's
 Adm'r (1872) 80 US 270, 13 wall 270, 20
 L Ed. 571, held, Manner and Conditions upon which
 Judicial power shall be exercised, except as to
 original and appellate Jurisdiction Specially designated

In Constitution, are matter of Legislative discretion.

Senator Biden Jr, applying this principles in this Letter, for the reason stated above, I had been influenced by a reasonable assurance, that you as well as other members of the Congress and of our Society would question the actions of these accused Judges, Kent A. Jordan, Sue L. Robinson, and Senator Arlen Specter. Moreover, it was relevant to include your obligation of Citizens, to ensure the alleged Judges submits to the rules, so I named you a coPlaintiff in the within action, and in other for the Civil Action gain faith, it remained on your Signature _____, Please sign here and return

a copy of this letter to me, I respectfully urge you Senator not to Concede anything through Complaisance, and palliated nothing through fear. My assertion had risen to proof, and my foresight became prophecy. Such as Several members of our Society have given an opinion about you, having great Intellectual and effective, as well as expressive powers and by some witnesses who will question a Judge's Conduct on their merit, Senator, as a man of adage, be advised that as long as Intimidation, Integrity, genuine principle and steady resolution is bereft of this Judges, the title to esteem you rest in Delaware Veneration.

Thank you for your Cooperation.

Respectfully Submitted

Gabele M. Anala
